

Schweizerischer Nationalpark
Brandfläche „BL Fuorn“

Auf der Brandfläche notierte Arten:

- A 1 *Achillea millefolium*
 2 *Aethionema saxatile*
 3 *Agrostis stolonifera*
 4 *Ajuga reptans*
 5 *Antennaria dioeca*
 6 *Anthyllis vulneraria ssp. alpestris*
 7 *Arabis ciliata*
 8 ~~*Frenaria serpyllifolia*~~
 9 *Arctostaphylos alpina*
 10 *Avenula pubescens*

- B 11 (*Bellidiastrum michelii* Gass.) = *Aster bellidiastrum*
 12 *Bellis perennis*
 13 *Biscutella laevigata*
 14 *Blysmus compressus*
 15 *Botrychium lunaria*
 16 *Buriza media*

- C 17 *Calamagrostis varia*
 18 *Campanula cochlearifolia*
 19 *Campanula rapunculoides*
 20 *Campanula rotundifolia*
 21 *Campanula schleicheri*
 22 *Carduus defloratus*
 23 *Capsella bursa pastoris*
 24 *Carex alba*
 25 " *Caryophyllea* = *G. verna* CHATX
 26 " *davalliana*
 27 " *ericetorum*

28 Carex Flacea

- 29 " *humilis*
 30 " *Lepidocarpa*
 31 " *nigra* = *C. fusca* HLL.
 32 " *ornithopoda*
 33 " *panicea*
 34 " *paniculata*
 35 " *serotina* = *C. oederi* RETZ.

36 Carlina acaulis

- 37 *Centauraea scabiosa* ssp. *alpestris*
 38 *Cerastium holosteoides* = *C. caespitosum* GILLIB.
 39 *Chenopodium foliosum*
 40 *Cirsium acaule*
 41 *Cirsium arvense*
 42 *Cirsium vulgare*
 43 *Coronilla vaginalis*
 44 *Crepis alpestris*
 45 *Crepis paludosa*
 46 *Cystopteris fragilis*

D 47 *Danthonia decumbens*48 *Daphne mezereum*49 *Daphne striata*50 *Deschampsia litoralis* (nur für Parkgebiet)E 51 *Epilobium angustifolium*52 *Epilobium* cf. *montanum*53 *Epipactis atrorubens* = *E. atropurpurea* Rafin.54 *Erica carnea*55 *Erigeron acer*56 *Erigeron uniflorus*57 *Euphorbia cyparissias*58 *Euphrasia minima*59 *Euphrasia salisburgensis*

- F 60 *Festuca rubra*
 61 " *rupicola* = *F. sulcata* (Hackel) Nyman
 62 *Fragaria vesca*

- G 63 *Galium anisophyllum*
 64 *Galium boreale*
 65 *Galium pumilum*
 66 *Gentiana cruciata*
 67 *Gentiana nivalis*
 68 *Gentiana verna*
 69 *Gentianella campestris*
 70 *Gentianella ciliata*
 71 *Gentianella germanica*
 72 *Geranium silvaticum*
 73 *Gypsophila repens*
 74 *Globularia cordifolia*
 75 *Globularia nudicaulis*
 76 *Gymnadenia odoratissima*

- H 77 *Helianthemum alpestre*
 78 " *numularium* ssp. *ovatum* = *H. ovatum* (Viv.) Dunal
 79 *Heracleum sphondylium*
 80 *Hieracium bifidum*
 81 " *hoppeanum*
 82 " *glaucum*
 83 " *Lactuella*
 84 " *cf. murorum* = *H. auricula* L. em. Sm.
 85 " *pilosella*
 86 " *staticifolium*
 87 " *villosum*
 88 *Hippocrepis comosa*
 89 *Homogyne alpina*
 90 *Hotminium pyrenaicum*

* 3 91 *Juncus alpinus*

- K 92 *Koeleria macrantha* = *K. gracilis* Pers.
 93 *Kernere saxatilis*
 94 *Knautia dipsacifolia* = *K. silvatica* (L.) Duby
 →

- L 95 *Lappula deflexa*
 96 " *squamrosa* = *L. echinata* Gilib.
 97 *Larix decidua* = *L. europaea* DC.
 98 *Lesquerellia krapffii* ssp. *gaudini*
 99 *Leontodon hispidus* ssp. *pseudocrispus*
 100 " *hispidus* ssp. *hyoseroides*
 101 " *incanus*
 cf 102 *Leucanthemum adustum* = *Chrysanthemum montanum*
 103 *Linum catharticum*
 104 *Lotus alpinus*
 105 " *corniculatus*

- M 106 *Medicago lupulina*
 107 *Melampyrum silvaticum*
 108 *Minuartia verna*
 109 *Myosotis alpestris*

- P 110 *Parnassia palustris*
 111 *Phleum alpinum*
 112 *Phyteuma orbiculare*
 113 *Pimpinella saxifraga*
 114 *Pinguicula alpina*

- 115 *Pinus cembra*
 116 " *mugo* = *P. montana* Miller
 117 *Plantago media*
 118 *Poa alpina*
 119 " *angustifolia*
 120 " *badensis* = *P. alpina* ssp *xerophila* Br.-BL.
 121 " *minor*
 122 *Polygala amarella*
 123 " *alpestris*
 124 " *chamaebuxus*
 125 *Polygonum viviparum*
 126 *Potentilla crantzii*
 127 " *pusilla* = *P. puberula*
 128 *Primula farinosa*

- R 129 *Ranunculus acris* ssp. *acris*
 130 " *grenieranus*
 131 " cf. *montanus*

- S 132 *Sagina saginoides*
 133 *Saponaria ocymoides*
 134 *Sedum atratum*
 135 *Selaginella selaginoides*
 136 *Senecio doronicum*
 137 " *vulgaris*
 138 *Sesleria varia* = *S. coerulea*
 139 *Silene vulgaris* ssp. *glareosa* = *S. alpina* auct. p.p.
 140 " cf. *vulgaris*
 141 " *nutans*

- T 142 *Taraxacum alpinum*
 143 " *Laevigatum*
 144 " *spec*
 145 *Thalictrum minus*
 146 *Thesium alpinum*
 147 *Thymus serpyllum* s.l.
 148 " *cf. alpigenus*
 149 *Tragopogon pratensis*
 150 *Trifolium alpinum*
 151 " *badium*
 152 " *pratense*
 153 " *repens*
 154 " *thalii*
 155 *Triglochin palustre*
 156 *Misumena distichophyllum*
 157 *Tussilago farfara*

- U 158 *Urtica dioeca*

- V 159 *Vaccinium vitis-idaea*
 160 *Valeriana montana*
 161 *Valeriana tripteris*
 162 *Verbascum crassifolium*
 163 " *thapsus*
 164 *Veronica serpyllifolia* ssp. *humifusa*
 165 " *officinalis*
 166 *Vicia incana* = *V. cracca* L. ssp. *gerardii* Gaudin
 167 *Viola rupestris* = *V. arenaria* DC
 168 " *pinnata*

Die Pflanzennamen entsprechen der Schul- und Excursionsflora
 Dr. August Binz / Dr. Christian Heitz, 1986.

Früher gebräuchliche Namen sind als Synonyme mit Autornamen
 beigefügt.

Juni 1992

Walter Treppe
